

# CENERGY CELEBRATES 2 YEARS WITH ZERO INCIDENTS CONTINUING OUR MISSION TO PROVIDE STELLAR & SAFE GLOBAL WORKFORCE SOLUTIONS

## CENERGY'S SAFETY 1<sup>ST</sup> CULTURE ACHIEVES RESULTS

January 31, 2019

Cenergy International Services reports  
**ZERO TRIR for  
2017 AND 2018!**

TRIR stands for "Total Recordable Incident Rate." This is the mathematical computation that considers how many OSHA recordable incidents a company has per number of hours worked. Cenergy is pleased to share that we have had **ZERO recordable OSHA incidents over the last 2 consecutive years with over 1,616,910 hours in 2018 and 1,643,786 in 2017!** Our Safety 1<sup>st</sup> culture begins and continues with every part of Cenergy. Safety and promoting safe environments and behavior is a vital element to our operations and as a result, we have consistently led our industry in safety performance with lost-time incident rates significantly better than the industry average. We focus on hazard identification, correct behavioral deployment and program implementation as a result, we achieve our goal of producing one of the best safety records in the industry! Safe culture and leadership include mandating high moral, ethical and legal standards in all relationships throughout all activities in which we engage.

**IN EACH AND EVERY JOURNEY WE EMBARK UPON, WE SET STANDARDS AND EXPECTATIONS THAT ARE SHARED WITH EACH AND EVERY TEAM MEMBER TO ACHIEVE GOAL ZERO!**

**CENERGY IS DEDICATED TO DELIVERING EXCEPTIONAL PROFESSIONAL SERVICES. WE STRIVE TO CONTINUOUSLY IMPROVE OUR PROCESSES THROUGH INNOVATIVE TECHNOLOGY, STELLAR SERVICE AND UNPARALLELED EXPERTISE. WE PROVIDE PROFESSIONAL SERVICES THROUGHOUT ALL SKILL DISCIPLINES WITH EXPERT PERSONNEL, PAYROLL SERVICES, STAFFING/RECRUITMENT, ONSITE SUPPORT, VENDOR MANAGEMENT, SAFETY, INSPECTIONS AND LOGISTICS OPTIMIZATION.**

To assist in our journey to achieve GOAL ZERO we follow these  
**CENERGY Core Safety Values:**

- Establish a workforce second to none through the demonstration of utmost integrity- we do the right thing through great leadership, training and ownership of our actions. Our BBSM (Behavior based safety management program) are vital to this success and our CAST (Cenergy Achieving Safety Together) allow for safety observation reporting online.
- Create high expectations and standards through management participation and ultimate commitment to our team members – empowering them to take responsibility for their own actions and safety.
- Encourage honesty and loyalty in our team to create safety culture that sets the benchmark in the industry. We care for each other and want everyone to work smart and safe and return in a safe fashion to their families.
